

LOS ANGELES UNIFIED SCHOOL DISTRICT

# **SUSTAINABLE ENVIRONMENT ENHANCEMENT DEVELOPMENTS for SCHOOLS**

Glenfeliz Blvd. ES

El Dorado ES

**SEEDS  
Schools  
can receive  
up to  
\$100,000**

The SEEDS program provides funding to enhance and/or create outdoor healthy and sustainable learning environments that support LAUSD's curriculum. The funding can be used for landscape design by District staff, infrastructure improvements, and installation of landscaping materials to make the space "garden ready". Schools are encouraged to work with Partner Organizations for plants, curriculum, and the ongoing maintenance of the new space.

**Outdoor  
Learning  
Environment**

**Native  
Gardens**

**Raised  
Garden Beds**

**STEAM  
Curriculum**
